Friedland Relyea Environmental Science for AP Andrew

The Friedland package uniquely prepares students for the quantitative aspects of the APES course in a way no other text does. In addition, it explores and explains every topic within the APES course description while offering a scientific and balanced approach to the key concepts. The Friedland text is praised for its accessibility and for familiarizing students with the findings that inform environmental decision making at all levels from personal choice to national and international policy.

Journal of the History of Biology Vol 2 No 2 PDF

Later in the century the issue was to be one of descent: the possibility that man could have physically evolved from the apes was too difficult to swallow. But even in the earlier years of the century, certain obvious physical similarities between man and the apes resulted in a number of comparisons being made which were highly unwelcome. Many scientists concluded from their morphological and
