The whole book series span about in a timeline of 3 4 months. And so many things happens in those months which is just absurd. I mean if this was a trilogy at max, yeah I probably would have been considerate. But five books!! Sylvia Day give your characters time to breathe. Don t flip their lives 360 degrees just like that. I think there should have been at least one time skip.

Captivated by You Crossfire Series Book 4 H rbuch

The lack of action in book 3 and 4 attests to that insanity. The only reason Day would deliberately drag the story line is greed of gain. Which is all right if you are able to keep the quality up. Unfortunately that wasn't the case here. Huge disappointment since the first two books are one of my favourite romance novels ever.
