Curious George Goes to the Zoo Kindle edition by H A

The manuscript for the first Curious George books was one of the few items the Reys carried with them on their bicycles when they escaped from Paris in 1940. Eventually, they made their way to the United States, and Curious George was published in 1941. Curious George has been published in numerous languages. And many, many Curious George books have followed.

Curious George Goes to the Zoo 8x8 English Edition

George is really excited to visit a "Wild Animal Zoo" in which the animals roam free. When George falls off the tour bus, it seems as if he might be in real trouble, but, as usual, George's curiosity leads him on to save the day. I love the charming vintage style drawings as well as the page listing facts about the animals in the story to satisfy the curiosity of young readers. Recommended for ages five through nine and nostalgic adults who love Curious George.

Curious George goes to the zoo for the first time and there is a lot to see. He looks at all the animals. He also sees what all the people are doing. After a while he got hungry and found a man with a bucket of bananas. He took them and ran off towards the monkey cage. Once he got there he saw one of the monkeys had taken a kids balloon. George knew exactly what to do. He may have caused some problems but he knew how to save the day. Then him and the man with the yellow hat went home.
