One thing to understand about personal training is that you can pass an exam, get a certificate, and still be a horrible personal trainer. Regurgitating facts out of a book is great, but it's how you UNDERSTAND and USE those facts that

makes or breaks you. You need to be able to read each client and understand what he or she is trying to get out of your sessions. You need to know when to

The difference between a certified personal trainer and a certified group fitness instructor is pretty clear. Both are excellent career choices in the fitness industry, and your choice comes down to personal preference. You can even do both! You can get certified in one now and the other later. Just be aware that there are costs involved, and there are different certifications for each career.
