Rainforests Lesson Plans and Lesson Ideas - BrainPOP Educators

What can you find in the rainforest? In this movie, you'll learn about this important habitat. You'll explore the different layers of the rainforest: the sunny canopy, the shady understory, and the dark forest floor. You'll explore how plants and animals have special adaptations to survive in their environment. Find out how people are destroying and changing the rainforest and how many of plants and animals are becoming endangered or extinct.
